## Associate Consultant – Finance & Innovation

Ayming Canada's Toronto office in Vaughn is looking for an organized, self-motivated individual to work as an Associate Consultant – Innovation Funding to serve our client-base in Central Canada.

Ayming is a leading international business performance consulting group, formed through the merger between Alma Consulting Group and Lowendalmasaï. With offices in 14 countries, the Group, which has a staff of approximately 1,500, attained revenue of CAD \$275 M in 2015.

Backed by 30 years of proven results, Ayming provides strategic and operational expertise, enabling businesses to improve their overall performance in the areas of Finance & Innovation, Operations and Human Resources.

Ayming is committed to helping clients implement long-term performance improvement programs, adding value to their overall business and delivering greater profitability. Its focus is on improving and accelerating business growth, anticipating future changes and opportunities and securing a business' long-term position. This is accomplished through its Value Performance Programs, customized service packages providing tailored solutions to improving clients' business performance. Every Value Performance Program is unique because it is designed to meet the specific needs of individual clients.
