Associate – Finance and Innovation

Ayming Canada's Vancouver office, located in the heart of Vancouver Downtown, is looking for 2 associates with a background in IT.

Ayming is a leading international business performance consulting group, with offices in 16 countries and 1500 employees.

Ayming is committed to helping clients implement long-term performance improvement programs, adding value to their overall business and delivering greater profitability. Its focus is on improving and accelerating business growth, anticipating future changes and opportunities and securing a business' long-term position. This is accomplished through its Value Performance Programs, customized service packages providing tailored solutions to improving clients' business performance. Every Value Performance Program is unique because it is designed to meet the specific needs of individual clients.

Key Responsibilities and Related Tasks (include but not limited to)

As an associate, your mission is to bring your technology expertise to assist consultants in delivering Finance and Innovation consulting services, including SR&ED claims, grants applications, and government funding strategies with a focus on maximizing funding for its clients. The successful candidate will be required to:

- Perform technological background analysis including state of the art review, literature review, research and analysis of alternative technologies
- Prepare technical papers on specific technologies
- Prepare technical and business/economic papers on specific projects
- Research and analyze financing opportunities for specific projects, technologies, industries and regions
- Participate in the identification of new financing opportunities
- Assist in the development of financial models

Qualifications and Skills

- Bachelor's degree, in an IT related discipline
- Having experience in technical writing.
- Experience in a client facing role is an asset.
- Being results driven, detail focused and client minded.
- Perfect English written and oral skills.
- Bilingualism in French or Mandarin, an asset.

If you're interested in this position, please send your resume to: hr@ayming.ca and indicate in your email message title the position you are applying for.
